CALL US TODAY!

CVB's 48 sheet Wall Mounted Billboard is constructed in Aluminium and Galvanised Metal with Composite Aluminium panels. It's stylish in appearance and without the use of timber built to last.

The Billboard comes in Kit Form for easy on site assembly and if required also easy to move from site to site.

The unit can grow and adapt with your business, being upgradeable from paper and paste – to stretched skin –to stretched skin plus illumination – to Digital.

To discuss your project we can offer;

- Cost effective Product range including Digital LCD /LED
- Customised Products to suit your exact needs
- Design Work undertaken supported with CAD
- On Site Services & installation work
- Posting
- Consultancy
- Low Carbon Foot print options
